

PROCEDURES FOR STRUCTURAL STEEL FABRICATORS (ST-1)

In accordance with section 1704.2.2 of the 2003 International Building Code, the Building Official shall approve the steel fabricator. The City of Las Vegas considers fabricators approved by the International Accreditation Service (IAS), City of Los Angeles, or certified by the AISC Quality Certification Program as **“approved fabricators.”** Copies of these certifications (unexpired) shall be submitted to the Structural Plans Examiner prior to permit issuance.
